The mission of Eastchester High School is to empower all of our students to be responsible participants in their own personal and academic growth and development as valued contributors to our community and society at large.

EASTCHESTER HIGH SCHOOL

Located in Westchester County, nestled between the Hutchinson River and the Bronx River, the Eastchester community was settled in 1664. The Eastchester Union Free School District was incorporated formally in 1892 and has since been serving its community of professionals, tradesmen and executives through innovative teaching design and a strong focus on the whole child.

Eastchester High School is a four-year comprehensive school program with an academic curriculum that has been nationally recognized for its excellence by the U.S. Department of Education. The majority of students enroll in a four-year college preparatory program, with others pursuing associates degrees, military service or employment. Students are offered numerous opportunities to participate in Advanced Placement (AP) courses in all content areas, as well as an Advanced Science Research program and the W.I.S.E. internship program. A wide array of extracurricular clubs and athletic opportunities, as well as winter and spring concerts and theater/dance productions to showcase student talent outside of the classroom, round out the EHS student experience. The Eastchester community supports a strong emphasis on community service and content-specific field trips, both nationally and internationally, that broaden the students' understanding of the connection between the curriculum and a increasingly important global perspective.
