Anne Hutch STEM Lab Donations

Do you have legos at home not being used? Have your kids outgrown any of their building toys? If so, the Anne Hutchinson STEM Lab will gladly accept them for their engineering curriculum. We are seeking donations of the following items.

Legos
Lincoln Logs
K‘nex
Magnet Tiles
Electronic Snap Circuit Sets or Pieces
Etc.

**Send in to Mr. O’Neil Room 101 - STEM Lab. Items can be dropped off with security or sent in with students.**
