5th Graders engage in a STEM challenge in Ms. Rogan’s classroom this week!

Psychologist Newsletter for November

We encourage all families to read this month’s Psychologist Newsletter to learn more about our ethical habit of the month, GRATITUDE! You can also find out more about what students are learning through our social emotional learning program, Second Step, taught by Ms. McKinley.

Online Tutoring Program for Elementary Students

The EUFSD Key Club is a student-led service club that is offering an online tutoring program for elementary students! Last year, the tutoring program was very successful, involving students from Waverly, Greenvale, and Anne Hutchinson. Please review this informational flyer. You can also find the program page here, and the program registration form here, which parents can fill out to schedule tutoring sessions.

Anne Hutch has H.E.A.R.T.
