# Hutch Happenings

*5th graders worked hard to create beautiful portraits of U.S. Presidents, now proudly displayed in the halls of Anne Hutch!*

## Show and Tell Day

Thursday, March 10th will be Show and Tell Day at Anne Hutch! The students earned this special privilege by filling our school's H.E.A.R.T. jar and they are excited to celebrate together! Students are encouraged to bring a small souvenir, toy, or picture to share with their class. No living things, devices, or anything too valuable to lose, please!

## Psychologist Corner

Please take the time to review [this month's newsletter](#) from our school psychologist, Mrs. Gelpi. It provides lots of wonderful activities to celebrate our school's ethical habit of the month for March: Perseverance. It also includes important information for families about our school's social emotional learning program, Second Step, taught by our School Counselor, Ms. McKinley.

## An Update from Anne Hutch's Art Room

Please take a moment to read our [Art Newsletter](#) from Ms. D'Orazio and find out more about what your child is learning in this special class!
