

Dear First Grader and Family,

I hope you are enjoying your summer. My name is Mrs. Demos and I am looking forward to being your teacher this year. I think First Grade is such an amazing year because I will get to watch you grow academically and socially. Waverly is a very special place to me because it is where my daughters went to school when they were little!

A list of supplies for First Grade can be found on the district's website. Please **label everything** including individual pencils, crayons, scissors and markers. Be sure to get the specified colors for your child's folders and to label all folders with your child's first and last name. Please send in \$15 in cash or a check made out to "Cash" in an envelope with your child's name written on it to cover the cost of additional supplies. This will cover the cost of a plastic supply box, journals and special projects etc.

We will have a snack every morning. Please give your child a small healthy snack with a bottle of water. The bottle must have a built in straw and be leak proof to avoid spills. **Do not send in any peanut products because of allergies.** Snack should be sent to school in a separate, labeled bag from your child's lunch. First Graders may buy lunch any day of the week. In order to avoid confusion, please make sure that a lunch plan is established before school each day. In addition, please make sure that your child knows your dismissal plan. If a regular plan changes, a written notice (form can be found on the Waverly website) indicating the change should be sent to school that morning in your child's red folder.

Communication between home and school is essential to your child's success in school. The primary means of communication is either in your child's red folder or by email.

I am looking forward to meeting you and your child. Enjoy the remainder of your summer vacation!

Sincerely,
Mrs. Demos
