

Hello! My name is Mrs. Rogliano. I am so happy to be teaching 1st grade at Waverly! My husband Joe and I have 6 children: Olivia (22), Antonio (20), Giancarlo (18), Lorenzo (15), Paolo (13), and Cecilia (7). We also have a 3 year old yellow labrador retriever named Stella. I enjoy cooking, reading and spending time with my family. I graduated from SUNY Geneseo with a BS in Special Education and Fordham University with an MS in Learning Disabilities. I hold certifications in both Elementary and Special Education. Before taking time off to raise my family I taught Elementary and Special Education for 9 years in UFSD of the Tarrytowns. Since returning to work outside the home, I have taught Early Intervention, been a substitute teacher and have served as a leave replacement in 1st grade and Kindergarten at The Waverly School and 2nd grade at Greenvale. I believe that the foundation of all good teaching and learning is in forming strong, trusting relationships. I look forward to getting to know you and your children!
