

Hello My Future Kindergarteners and Parents,

Welcome to what will be an incredible Kindergarten year!

Kindergarten is the year for growth and play. Our goal this year will be to awaken a lifelong love for learning in your child! By working as a team and communicating, we can create that important school to home connection which will make your child's Kindergarten learning experience a complete success.

I promise to do my best to make this Kindergarten year one which allows every child to feel happy, welcomed, understood, valued and safe. Together, the children and I will strive to learn about the world around us, both educationally and socially. Through a balanced curriculum comprised of creative cooperative learning, exploration, whole group and independent lessons, and center activities, your child will develop reading readiness, foundational writing, and mathematical skills. In conjunction with our classroom curriculum, we will learn how to socialize, work cooperatively and become friends. As your child's capabilities grow, so will my expectations.

To ensure a smooth transition into Waverly, please take note of the attached documents (see below). Please check the school website for our common kindergarten supply list. Please bring all supplies and all completed documents below on the first day of school.

I anticipate a wonderful Kindergarten year together. Enjoy your summer! I cannot wait to meet you in September!

Warmly, Mrs. Nicole D'Agostino-Ullrich ☺
