Superintendent for Schools

Nov. 1, 2024

Dear Parents and Faculty,

Over the past two years we have worked hard to improve academic outcomes for all students. That said, parents continue to ask for more accelerated and gifted programs, especially for high performing students in our elementary and middle school grades.

Please help us answer the essential questions “Are we doing enough? Can we do more and better?”

[Complete the attached survey](#) as soon as possible, but no later than Friday, November 15th. We will use the results to report recommendations in the winter and build any new program initiatives into next year’s school budget.

Sincerely,

A handwritten signature in blue ink that reads "Ronald D. Valenti". The signature is written in a cursive style and is positioned above a horizontal line.
